

SIMON MS 4+1 PROGRAM

Stay at University of Rochester just one additional year to earn your master's!

WHAT IS THE 4+1?

This program allows UR undergrads interested in business school to apply to one of Simon Business School's full-time MS programs—**Accountancy, AI in Business, Business Analytics, Finance, or Marketing Analytics**—as juniors and transition seamlessly between their undergraduate and graduate business study.

WHY SIMON?

- STEM-Designated Programs
- Career Support & High ROI
- Tight-Knit, Collaborative Community
- Data-Driven Curriculum
- Top Rankings & Reputation

WHO SHOULD APPLY?

Designed for undergraduate students interested in a graduate business degree. Please contact your undergraduate business advisor to discuss your eligibility and course planning.

WHEN TO APPLY?

Applications are accepted **beginning in January of your junior year**. This allows you to have your post-graduate plans solidified before you enter your senior year.

WHY APPLY?

IT'S FREE

As a UR undergrad, your \$90 application fee is waived.

PRIORITY CONSIDERATION FOR ADMISSION

You'll receive dedicated support from Simon's graduate admissions team.

GMAT/GRE SCORE NOT REQUIRED

Note: If you have limited or weak performance in math or business courses, we recommend either taking nonmatriculated courses or submitting a standardized test score to demonstrate your capabilities.

GUARANTEED SCHOLARSHIP

If admitted, you'll receive **\$15,000 in scholarship support.**

OPTION TO COMPLETE AN INTERNSHIP

Our program start date provides you with time to intern before your program, positioning you well for your post-MS job search.

FLEXIBILITY THAT FITS YOUR GOALS

If you're admitted as a junior, you can **start taking graduate-level courses in your senior year**—allowing you to earn credit toward your graduate degree as an undergraduate. **Prefer to wait?** You can choose to begin your graduate courses once you start your MS program.

MORE TIME FOR YOUR JOB SEARCH

By taking graduate courses as a senior, you can lighten your MS course load—giving you more time to focus on landing your full-time job after graduation.
