Rochester Food Not Bombs

"Rochester Food Not Bombs recovers resources to create free vegetarian and vegan meals in our local community..We recognize poverty as a form of violence and think access to food should be viewed as a right, rather than a privilege."

Focus Congo

"A camp that has over 10,00 people has now no supply of water because a previous provider ran out of funding and can no longer provide water. We are trying to raise £ 20,000 in the next two weeks for a sustainable solution: purchasing a water truck."
